

Introduction to Growing Native Plants

REGISTER ON OUR WEBSITE

We will cover a range of native species of shrubs and perennials, including whether they are suitable for planting in traditional irrigated landscapes or are better in less managed settings, and how they can help solve some of the tricky planting situations our local sites and soils create.

**HYBRID CLASS - DATE & TIME:
SUNDAY MARCH 9TH
10:30 AM**

**PRESENTER:
DARREN MORGAN**

Free Class
